Passionate and versatile **full-stack software developer** with experience in modern development stacks including JavaScript, React, Node.js, and various database management systems. Brings a strong background in **communication**, **project development**, and **leadership** to the table.

EXPERIENCE

Co-Founder b/eArt

2024 - Present

Berlin, Germany

- Design and develop a platform with native tools for professional visual artists to manage their business.
- Lead all aspects of business development and end-to-end operations, including branding, product and web development, and artist partnerships.

Web Designer Freelance

2023 - Present

Berlin, Germany

- Design and develop custom websites in Wix Studio with a focus on clean, modern, and responsive layouts.
- Collaborate closely with clients to bring their vision to life, managing the full creative process from concept to client hand-off.

Communications Director Temple of the Way of Light

05/2014 - 07/2022

Iquitos, Peru / Remote

- Developed and launched a web-based medical intake and booking system that set a new standard for safety in the industry, improved organizational efficiency, and reduced liability.
- Oversaw all web development and communications, and spearheaded the creation of new programs and collaborations.
- Provided key support to NGOs in systems development and campaign design, raising over €150,000 in funding.
